

On October 24 United Way of Scioto County has been invited to join the Scioto Foundation in an exciting day of fundraising frenzy benefitting the United Way, the Foundation and the Scioto County area they both serve. United Way of Scioto County is a Community Solutions Provider which gives support and funding to community-based organizations. Please help us maintain this program and secure our future by supporting the United Way of Scioto County's Endowment Fund invested at the Scioto Foundation.

Sweeten your support with SCIOTO GIVES. Here's how it works:

1. The Scioto Foundation has offered \$20,000 in matching money.
2. Contributions will be received on-line or dropped off at the Scioto Foundation office from 8 a.m. to 8 p.m. on October 24.
3. The matching amount each nonprofit receives will be determined after all donations are made.
4. On Thursday, November 7, 2013 the Scioto Foundation will host a reception from 5 – 7 p.m. at its office at 303 Chillicothe Street when all participating nonprofit organizations will be notified of their fundraising efforts. All donors are encouraged to attend.

Make your donation by using a simple two-step process:

- Go to the SCIOTO GIVES website: www.sciotogives.org
- Using the pull-down menu, select the United Way Endowment Fund and the amount you wish to donate, list your credit card information and press "donate."

Make your matching gift matter; growing the United Way Endowment Fund means increasing the organized capacity of people to care for one another.

What an Exciting Day for Giving!
